✓ Powerful tools

Our interactive portal makes it easy for you to oversee your COBRA program and view real-time activity reports. COBRA participants also have access to a convenient portal and mobile app to:

- Manage their account
- View deadlines
- Pay premiums

For your participants, this means a simpler COBRA experience with fewer potential support questions for you.

✓ Dedicated support

Backed by the top-tier service you have come to expect from HealthEquity, our in-house COBRA support team is dedicated to answering your questions and guiding you through the entire process, from program setup to compliance and administration support.

✓ Simplified benefits program

Add HealthEquity COBRA services to your portfolio and enjoy the efficiency and ease of a consolidated benefits program. Using HealthEquity for COBRA, HSA, FSA and other health-related benefits allows you to:

- Reduce the number of vendors you manage
- Enjoy top-tier support across all products
- Save time and resources
- Create a simple experience for you and your team

Direct billing services

We can also help you manage continued benefits for retirees or employees on leave of absence—directly from the COBRA platform. We will deliver all notifications, collect premiums and provide support to you and participants.
